## November QBA Round Up

Proudly Supported by  **MERCURY**

*November* has flown by and we are on the home straight for this year long mission to catch 11 key species. With the end of the comp just weeks away, the Spotter Leaderboard has seen many changes in the month of November. One of the biggest movers was Craig Slattery making a run into the money and currently holding down third place with some quality submissions.

Only two records were broken in November which included a very nice 56cm Bass by one of QBA's top cash winners, Shaun Manthey and Craig Slattery's 47cm Silver perch. Barra Jacks Kawana's Mystery Length was won by Mick Law, who win's \$50 Cash thanks to his 49cm Blue Salmon submission. Tackle World Bundaberg's Rocket Cash was won by Mick Lane who took just over 8 and a half hours to capture the winning 52cm Mangrove Jack. The December Mystery Length Code is: **XL9**.

**Zayne is holding down second place thanks to this 80cm Barra upgrade.**

**Shaun with his Record breaking 56cm Bass**

The Spotters Sunglasses top ten coming into December are:

Angler	Points
Braith Young	732

Craig Slattery	666
Jason Spence	655
Steve Binney	647
Justin Lochler	646

Damien Lane	598
Michael Lane	549

The 2014 season presentation ceremony will be held at Barra Jacks Kawana on **Saturday the 10<sup>th</sup> of January** at 4pm. Come along and say hello, collect your cash winnings and go into the draw for random prizes. If you can't make it send me an email including which QBA sponsor you would like to pick up your winnings from.

Thank you to those many anglers who have expressed their appreciation and feedback throughout the year. It has been fantastic to hear the many stories which seem to have a common theme of how QBA has expanded their fishing horizons challenging anglers to chase different species and the fun had along the way.

QBA has grown by over 40% this year and I would like to send a big thank you to our major sponsors Mercury Marine, Tackle World Bundaberg, Barra Jacks Kawana and Lowrance. Without their support this year's successes would not have been possible.

Happy Fishing, *Matt*
