October QBA Round Up

Proudly Supported by  **MERCURY**

October saw a surprising amount of submissions for this late in the season, and a noticeable increase in summertime species.

Zayne adds to his score with this 73cm flathead.

The Records pages are looking good with notable captures including: Ben Schulz's 53cm sooty grunter, Braith Young's 76cm Saratoga, Zayne Young's 96cm freshwater cod, Tom Ackerman's 46cm bream, Zac Furlan's 38cm Pikey bream, Anthony Goulding's 107cm black spot cod and Terry Gablonski's 100cm blue salmon. Many of the above anglers have won \$135 in cash for these fish!

The focus and main goal of QBA is to pay cash prizes, and with the support of Mercury Marine and many fantastic sponsors from around the state QBA will pay over \$11,500 in Cash this year!

The October Mystery Length was won by Wendy Crook for her 45cm bass. Congratulations, and \$50 cash has been added to your name thanks to the team at Barra Jacks Kawana. Bob Dover from Kingaroy wasted no time in taking out the Rocket cash with a very impressive session in the Mackay region. He takes home \$100 cash with the pictured barramundi.

This month's Rocket cash will start Friday the 7th at 7pm and run until Sunday 4pm (or until won). Check the QBA site for more details and thanks to Tackle World Bundaberg for making this a monthly competition.

The November Mystery Length Code is: **Z2T**

Bob took out Rocket cash with this 88cm barra.

The random draw was won by Dylan Byron for his 84cm barramundi submission. Congratulations, you have won a selection of lures from Sebile.

Congratulations to Justin Locher for completing his card and becoming Lowrance Complete. With only 8 weeks to go good luck to everyone looking to add their name to this exclusive list.

Happy Fishing, *Matt*
